The Lincoln County Board of Commissioners met for a special session on the preliminary budget on September 9, 2014, in the Lincoln County Courthouse. Present are Commissioner Mike Cole, Commissioner Greg Larson, Executive Assistant Bill Bischoff and Clerk and Recorder Tammy Lauer. Commissioner Tony Berget is at a meeting with the Forest Service.

10:00 AM: **Budget Hearing:** Commissioner Cole called the meeting to order. Wayne Maffit is the only member of the public present. Wayne stated he has no questions or concerns he just wanted to see how it works. The commissioners talked about revenues from the forests and what it would take to compensate for the loss of the Secured Rural Schools funds. They spoke about the increase in school taxes in Troy. It appears that the decrease in county taxes and Troy Dispatch taxes will be absorbed by the school taxes. There was no public comment and the meeting was closed.

11:00 AM: The commissioners met with **County Attorney Bernie Cassidy** to talk about him receiving some temporary help in his office. Bernie would like to hire a part time temporary deputy county attorney for 90 days to help with a heavy work load. Commissioner Larson moved to approve a temporary hire for the County Attorney's office and it carried.
