

**March 17, 2016**

The Lincoln County Board of Commissioners met for a special session on March 17, 2016, in the Commissioner's Office of the Lincoln County Courthouse. Present were Commissioner Greg Larson, Commissioner Mark Peck, Dallas Wamsley and Deputy Clerk & Recorder Chris Nelson. Commissioner Cole was absent.

10:00 AM **County Vehicles:** Commissioner Larson called the meeting to order. Commissioner Peck and Commissioner Larson asked Dallas Wamsley from the County HR Department to meet with them to discuss the purchase and repair of county vehicles. Commissioner Peck stated the 2012 Ford Escape needs its transmission replaced. Dallas said the estimate from the Libby road shop to repair the transmission was between \$2,500 and \$3,000. Commissioner Peck and Commissioner Larson agreed they should go ahead with the replacement of the transmission. Commissioner Peck said he would also like to see the county get rid of the 2001 Ford Windstar and the 2001 silver Ford Taurus in a surplus sale. Dallas said the Windstar hasn't been used in over a year and that she would look into the process for selling county vehicles. **Motion** by Commissioner Peck to authorize up to \$15,000 to purchase a truck with a bed cover or topper for use in the motor pool and the purchase of a Dodge Journey for up to \$13,900, repairs on the 2012 Ford Escape for up to \$3,000, and to put the Ford Windstar and the Ford Taurus up for sale with funds for purchases and repairs being paid from PILT. Second by Commissioner Larson and so ordered upon the consent of the board.

**LINCOLN COUNTY BOARD OF COMMISSIONERS**
