**Finance Meeting**

The Lincoln County Board of Commissioners met for a special session on July 2, 2019 in the Lincoln County Courthouse, Libby, Montana. Present were Commissioner Peck, Commissioner Bennett, Commissioner Letcher, County Administrator Darren Coldwell, Finance Director Wendy Drake, and Deputy Clerk and Recorder Chris Nelson.

**Airport**

Darren told Bill Caldwell the airport budget is almost right where it should be. Bill said last year they had asked for an increase of \$6,000 and he heard the county switched over insurance and made each department pay for their own insurance. Commissioner Bennett said they did that to get a better view of how much it actually cost to run each department. Darren said they will not be decreasing the airport budget this year. Said we need 40,000 in fuel allocation for a base to cover buying the fuel they would need during fire season. Commissioner Bennett said they might need another CIP fund just for fuel. Darren did say if the airport had something happen like a bad snow year the commissioners would be able to help.

**Health and Human Services Grant**

Jen McCully said the county will continue covering mental health evaluation costs through August 15<sup>th</sup>. The total will be \$8,500 with \$2,000 being reimbursed.
