This is important tax information and is being furnished to the Internal Revenue Service. If you are required to file a return, a negligence penalty or other sanction may be imposed on you if this income is taxable and the IRS determines that it has not been reported.

Please note, this form will indicate the state where you resided when you received the income, paid the interest expense, or were party to the transaction being reported on this statement. The state identification number and state tax withheld may display on this statement, even if there is a zero amount. Unless state tax was actually withheld from the payment, the line for state tax withheld will reflect ".00" and the state identification number may be blank.
