Agenda:	Discussion:	Action Item:
1. Call to order	Meeting called to order by G. Jamison at 7:02 Started with Pledge of Allegiance	
2. 03/15/2018 Minutes	Motion to approve: R. Mahoney Second: T. Oedewaldt Approved unanimously	
3. Commissioner Update	NONE	
4. Realtor/ Banker/ Appraiser/ Inspector as related to property transactions	N. Pyle briefed the committee on a discussion with Jinnifer Merriman regarding ordinances forcing the passing on of EPA information related to LA when property transactions take place. J. Merriman proposed that instead of making an ordinance that first we pass on the information of ARP available resources to realtors/ bankers/ appraisers/ inspectors first and see if it generally meets our goal. The committee discussed a one page sheet with the information of available resources that could be provided.	Pyle, Kocieda, Bauer are tasked with discussing this option with realtors etc.
5. UPDATE on ATSDR Response (Virginia)	V. Kocieda discussed with ATSDR on how to develop and maintain public health monitoring during the 5 year review. EPA is not mandated to do this. Deb Mckean suggested we talk to Theodore Larson of the ATSDR. Dr. Black, V Kocieda, and T. Larson discussed developing biomarker monitoring program. T. Larson was very receptive to this idea. The next step is to organize expert meeting and possible host in Libby. V. Kocieda asked if anyone other than the CDC should be included. Ted Suggested NIEHS who gives grants to superfunds.
