

## Lincoln County Landfill at Libby, Montana

### Disposal of Junk Trailers/Mobile Homes Policy

Lincoln County Solid Waste and Recycling allows the disposal of abandoned and/or uninhabitable structures such as mobile homes, camp trailers, titled and taxed personal or real property at Lincoln County Landfill. The purpose of this program is to provide for proper disposal of such structures that can be safely transported intact to the Lincoln County Landfill.

In order to qualify for this program, the following guidelines have been established and will be adhered to:

- Contact Environmental Health at 283-2449.
- A Release of Ownership or Interest in Mobile Home Form must be completed and received prior to receiving the item for disposal at the Lincoln County Landfill.

Forms can also be picked up at the Lincoln County Annex Building, 2<sup>nd</sup> Floor.
- Owners must present documentation of ownership at the time of application in the form of a title or bill of sale.
- A Mobile Home Moving Permit shall be obtained from the Lincoln County Treasurer's Office.
- Proof that all current and delinquent taxes are paid from the County where property was taxed.

- The Landfill Release of Ownership or Interest in Mobile Home Form and the moving permit, with proof taxes have been paid, must accompany the mobile home/structures to the landfill. The landfill will not accept the item into the staging area without these documents, unless management has been contacted and approved other alternatives.
- All metal appliances must be removed from units. They can be disposed of in another landfill area separately at no charge.
- Due to special handling requirements, mobile homes will be accepted at the Lincoln County Landfill during the following operating hours: Monday through Friday 8:30 am to 3:30 pm. Mobile Homes will not be accepted on Saturdays unless prior arrangements have been made with the management.

If proper paperwork cannot be obtained, contact Bryan Alkire at 406-293-7146 to discuss possible alternatives.
