 - a. Work Session on Natural Resource Policy per Troy District Commissioner
 - i. The board went and reviewed the Natural resource policy and at first stated that the “tone” of the document was rather negative so a comment to maybe “re-tone” it to not be so negative might be a 1st step
 - ii. The bard went thru their revisions; leaving FWP/Flood & Weed Depts to revise their sections as they are the experts; but those areas definitely need revision
 - iii. They agreed to wait until FWP/Weed/Flood has provided their edit to finish with their recommendation to the Board of County Commissioners.
6. **NEXT MEETING SCHEDULED: November 15th**
7. **MEETING ADJOURNED: 7:45pm**
