## TO BE AN ELECTION JUDGE IN 2022

Across the nation, more than 1.4 million citizens are trained to serve as election judges. The job of an election judge is critical to our democracy, as voters depend on election judges to run polling places and counting centers on Election Day. This is a paid public service opportunity. If you would like to sign up to be part of the dedicated team that helps make fair and accurate elections possible, the Lincoln County Election Department invites all interested persons to attend the 2022 Election Judge Training. You must be 18 years of age, a registered voter of Lincoln County and attend our training. Please bring your ID for payroll paperwork.
