 Leavitt Group

Lincoln County strives to provide you and your family with a comprehensive and valuable benefits package.

We want to make sure you're getting the most out of our benefits—that's why we've put together this Open Enrollment Guide.

Open enrollment is a short period each year when you can make changes to your benefits. This guide outlines all of the different benefits Lincoln County offers, so you can identify which offerings are best for you and your family.

Elections you make during open enrollment will become effective on August 1st. If you have questions about any of the benefits mentioned in this guide, please don't hesitate to reach out to HR.

Who is eligible?

If you're a full-time employee at Lincoln County, you're eligible to enroll in the benefits outlined in this guide. Full-time employees are those who work 30 or more hours per week.

How can I enroll?

Are you ready to enroll? The first step is to review your current benefits. Did you move recently or get married? Verify all of your personal information and make any necessary changes.

Once all your information is up to date, it's time to make your benefit elections. The decisions you make during open enrollment can have a significant impact on your life and finances, so it is important to weigh your options carefully.

When can I enroll?

Open enrollment begins on May 16th and runs through May 20th. The benefits you choose during open enrollment will become effective on August 1st.

WHEN CAN I MAKE CHANGES?

Unless you experience a life-changing qualifying event, you cannot make changes to your benefits until the next open enrollment period. Qualifying events include things like:

Marriage, divorce, or legal separation

Birth or adoption of a child

Change in child's dependent status

Death of a spouse, child, or other qualified dependent

Change in residence

Change in employment status or a change in coverage under another employer-sponsored plan

Health Savings Account

HDHP MEDICAL PLAN

Similar to a Healthcare Flexible Spending Account, an HSA allows you to fund your out-of-pocket medical, dental, and vision expenses, such as deductibles and copays, with pre-tax dollars. This can save you a minimum of \$0.23 per dollar because you do not pay federal income tax or FICA tax on contributions. There are no “use it or lose it” rules for HSAs—full funds roll over from year to year, making it a great way to save money for future medical expenses. Furthermore, HSA funds can be invested in the market with tax-free earnings to help supplement your retirement.

Before contributing to an HSA, here are a few things you should know:

- ▶ The amount you contribute to an HSA is deducted from your paycheck before income taxes.
- ▶ Any money left in the account at the end of the year will roll forward to the next year.
- ▶ You may no longer contribute to your HSA beginning with the first month you are enrolled in Medicare.

MAX CONTRIBUTION	2022	2023
Single Coverage	\$3,650	\$3,850
Family Coverage	\$7,300	\$7,750

WHO QUALIFIES?

To be eligible for a Health Savings Account (HSA), you must:

- ▶ Be covered under a Qualified High Deductible Health Plan (QHDHP) on the first day of the month
- ▶ Not be enrolled in Medicare
- ▶ Have no other non-HDHP coverage
- ▶ Not be claimed as a dependent on another person's tax return

If you are an eligible individual who is age 55 or older at the end of the tax year, you may contribute an additional \$1,000 as a catch-up contribution each year.

Important Legal Notices Affecting Your Health Plan Coverage

INITIAL AND ANNUAL ENROLLMENT NOTICES – GUIDE

The Women's Health Cancer Rights Act Of 1998 (WHCRA)

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- ▶ All stages of reconstruction of the breast on which the mastectomy was performed;
- ▶ Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- ▶ Prostheses; and
- ▶ Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, the following deductibles and coinsurance apply.

Newborns Act Disclosure – Federal

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Notice Of Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Further, if you decline enrollment for yourself or eligible dependents (including your spouse) while Medicaid coverage or coverage under a state CHIP program is in effect, you may be able to enroll yourself and your dependents in this plan if:

- ▶ coverage is lost under Medicaid or a state CHIP program; or
- ▶ you or your dependents become eligible for a premium assistance subsidy from the state.

In either case, you must request enrollment within 60 days from the loss of coverage or the date you become eligible for premium assistance.

To request special enrollment or obtain more information, contact the person listed at the end of this summary.

Wellness Program Disclosure

If it is unreasonably difficult due to a medical condition for you to achieve the standards for the reward under this program, or if it is medically inadvisable for you to attempt to achieve the standards for the reward under this program, call us at the telephone number listed at the end of this document and we will work with you to develop another way to qualify for the reward.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed on the following page, contact your state Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your state Medicaid or CHIP office or call 1-877-KIDS-NOW or visit www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2018. Contact your state for more information on eligibility.
