We, Stephen D. Kitchen and Renee D. Kitchen, hereby certify that the purpose for this division of land is to relocate common boundary lines between five or fewer lots within a platted subdivision, and no additional lots are hereby created, and the aggregation of parcels or lots when a certificate of survey or subdivision plat shows that the boundaries of the original parcels have been eliminated and the boundaries of a larger aggregate parcel are established; therefore, these divisions of land are exempt from review as a subdivision pursuant to Section 76-3-207(1)(d), M.C.A., and Section 76-3-207(1)(f), M.C.A. A restriction or requirement on the original platted lot or original unplatted parcel continues to apply to those areas. Also, we, the undersigned property owners, hereby certify that Lots 4A and 5A of the above described tract of land are parcels that are within a jurisdictional area that has adopted a growth policy pursuant to chapter 1 or within a first-class or second-class municipality for which the governing body certifies, pursuant to 76-4-127, that adequate storm water drainage and adequate municipal facilities will be provided; therefore, said division of land is exempt from review by the Department of Environmental Quality pursuant to Section 76-4-125(d), M.C.A.
