SURVEYOR'S NOTE:

In Montana, all owners of land adjacent to navigable waters own down to the low-water mark. The State of Montana has created a list of those Rivers or Streams asserted to be Navigable in the State of Montana.

FORTINE CREEK (Tributary to Tobacco River) BASED ON HISTORICAL DOCUMENTATION, FORTINE CREEK IS COMMERCIALY NAVIGABLE FROM SWAMP CREEK TO ITS CONFLUENCE WITH THE TABACCO RIVER. THEREFORE, THE STATE CLAIMS OWNERSHIP OF LANDS BELOW THE WATER OF A NAVIGABLE LAKE OR STREAM (FORTINE CREEK) BETWEEN THESE TWO POINTS.

Survey Notes

- 1) Basis of Bearings: OPUS Derived Geodetic North at Lat. N 48°23'35.89715, Long. W 115°32'44.83697, NAD 83(CORS96)(EPOCH2002.0000)
- 2) Railroad right of way dimensions as it passes through Parcel 2 of COS# 3954RB are as shown on Irregular Plat # 200. Fifty feet of this right-of-way is set forth in an easement dated 6/15/1916 and recorded in Vol 1 Page 183/184. A lease recorded in Book 53 Page 379 between the First Holding Company and J. Neils Lumber Company describes that part of the railroad right of way bordering COS 494. The easement recorded in Vol. 1 Page 183 describes the east 50 feet of railroad right of way from the main line to the south section line of Section 3. An easement recorded in Book 39 Page 63 transfers a portion of the previously mentioned right of way and includes a plat.
- 3) The easternmost and westernmost sets of rails extend outside of the 70 foot right of way as shown on Irregular Plat #200 by approximately 5-6 feet on both sides, through COS# 3954RB.
- 4) Commissioner's Proceedings Book 9 Page 448 has a note under the date of November 20th, 1967, "A notice of Closure of Alley between Blocks 1 & 2 of the Doak's Addition to Libby was accepted by the Board of County Commissioners as appears on page 448A". The alley stretches through Blocks 1 & 2 but is not between the blocks. I believe the intent of the Commissioners was to close the alley that runs through Blocks 1 & 2. Page 448A, which is referenced in the note, cannot be located. On April 17th, 2009, Decker Logging Co. Inc. conveyed to St. John's Hospital, Inc. by warranty deed recorded in Book 325 Page 93, "All that portion of the southerly 20 feet of East Second Street directly adjacent to the northerly property line of Lots 1-6, Block 1, Doak's Addition....." "Together with that portion of the vacated alley traversing Block 1 as noticed in County Commissioners proceedings November 8, 1967 in Book 9 at Page 448." "Traversing Block 1" is certainly a more accurate description of the alley and certainly conveys Decker's interest to St. John's.
- 5) City Resolution 1476 abandoned the southerly 20 feet of East Second Street directly adjacent to the northern property line of the Libby Care Center, Libby Christian Church, and Decker Logging Co., Inc. A subsequent deed to EBT Healthcare Properties, L.P., includes the abandoned street adjoining their property, the deeds to St. John's Real Estate Corporation and Decker Logging, Inc. do not include it although the deed from Decker Logging to St. Johns does, see note # 4.
- 6) Other documents used in the research for this survey include: Irregular plats #'s 138, 516, 517, 822, 886 and 1634.
- 7) Area of 2nd Street ROW between the centerline and Certificates of Survey 493 and 494 is fenced and is being occupied by City of Libby setting pond. This area appears to have been surveyed as monuments were found in the centerline of 2nd Street which coincide with the intersections of the boundaries of COSs 493 and 494 projected to the centerline. A survey of this area was not found.
