Also, Tract 1 is exempt from subdivision review by the Department of Environmental Quality pursuant to Section 76-4-125(2)(e)(ii), M.C.A., (a remainder of an original tract created by segregating a parcel from the tract for purposes of transfer if: the remainder is 1 acre or larger and has an individual sewage system that was constructed prior to April 29, 1993, and, if required when installed, was approved pursuant to local regulations or this chapter).
