Fill in Cross Index & Section Diagram at bottom of sheet.

CERTIFIED CORNER RECORDATION

Corner _____ 30 N., R. _ T._ Lincoln .County

- 1989 Corner Recordation by A. Hughes, 7322-LS
- II. Found a 3/4 in. diam. aluminum rod with a 3 1/4 in. U.S.D.A aluminum cap, marked as shown, from which 2 bearing trees as per record.

III I amend the position of this corner as the NW Section Corner Section 4 was erroreously double proportioned. See Amended Certificate of Survey for Section 4. The new corner postion bears $N00^{\circ}56'25''E$, 5.79 ft. from the 1989 Corner position. I use the same bearing trees however bearings and distance are changed. I stamp "93" on the aluminum cap, from which:

A Dougles fir, 8 ins. diam., bears N40 $^{\circ}$ E, 19.0 ft. dist., healed face.

A Douglas fir, 8 ins. diam., bears S88 $^{\circ}$ E, 17.7 ft. dist., healed face.

I repainted red bands around the bearing trees, Land Survey Monument and Bearing Tree signs attached. Magnetic Declination: 20 East

8 Fix
SEE'E E FIR

Thomas M. Hommel Alvah F. Hughes certify that this Corner Record correctly repres 4/27/93 7322 Reg. No.
