

## NOTICE OF LOCAL GOVERNMENT REVIEW ELECTION

At the June 4<sup>th</sup>, 2024 primary election, voters in the cities/towns of Eureka, Libby, Rexford, Troy, and Lincoln County will be asked whether or not they wish to have their form of local government reviewed.

The local government review was initiated by Article XI, Section 9 of the 1972 Constitution and the first review was conducted in 1974. Required every ten years, the local government review election asks voters to decide if they want to elect study commissions to review their city and county governments.

If a majority of the electors vote in favor of having a study commission to examine the form of local government, the study commission members will be elected at the November 5<sup>th</sup>, 2024 general election.

Interested individuals can file after the primary election as a candidate for the study commission with the County Election Administrator. There is no filing fee, and the race is nonpartisan. Candidates must be electors of the local government for which the study commission has been established and cannot be elected officials of the local government. Filing for the position of study commission members will open after the primary election results are certified and close at 5:00 p.m. on August 12, 2024.

The purpose of the study commission is to study the existing form and powers of the local government and compare them with other forms available under the laws of the state. The study commission members must write a report detailing their recommendations for changes to the local government.

The final report of the study commission is presented to the voters of the local government for approval or rejection. The report must be presented to the registered electors for a vote no later than the 2026 general election (November 3, 2026).
