- **Call to Order**
- **Action Item** – Paul Dalziel Variance Request
- **Action Item** – Kody Green Variance Request
- **Public Comment**
- **Adjourn**

To Whom it may concern,

(Board of Health)

I am asking for a variance to place a drywall system 86 feet away from my existing well to replace the old leach field that is currently 65 feet away from the well. This is an improved revision that will better suit my home at 149 cherry creek drive with the limited space available! Thank you for your consideration.

Respectfully,

Kody Green

TO

Lincoln County Health Dept.

I Paul Dalziel, am requesting a variance
from 333' to 300' on a replacement system
at Overdate Lodge.

Paul Dalziel
