

## **Lincoln County Landfill Demolition Checklist**

### **Commercial/Contractor Demolition Projects**

1. Asbestos Inspection from an accredited asbestos inspector with a copy to be filed at the Landfill (EPA inspections and comfort letters are not accepted)
2. Landfill Fees:
  - \$8.00 per cubic yard for **sorted and separated** demolition debris
  - Unsorted loads **may be refused** and/or charged a penalty of an additional \$16.00 per cubic yard
  - \$32.00 per cubic yard for asbestos containing materials
  - Clean wood and metal are free for disposal

### **Residential Demolition Projects**

(Homeowner removal and transport only)

1. Asbestos Inspections are recommended prior to removal
2. The same fees as commercial apply

Note: These are requirements for the Lincoln County Landfill ONLY. Other laws and regulations may apply.
