

LINCOLN COUNTY STUDY COMMISSION DRAFT MINUTES 16APR25 17:30

Roll Call, all present, also DC Orr & John Beebe

Ernie A moves and John B seconds to adopt Feb and Mar minutes. Passed Unanimous.

Discussion, updates, and assignments on ongoing/upcoming interviews with county department heads. Idea to interview county commissioners one on one, one by one. Emphasize open-ended questions, draw out answers in respondent's own words. Discover and define any common threads/themes.

Discussion, is Port Authority a county entity? Consensus was yes, will also seek interview with Port rep.

Public comment: John Beebe thanks us for our important service. DC emphasizes this in an important work, stresses transparency and accountability of any elected officials/local government employees. "Restore public trust" Mentioned previous city disputes over who is lawfully seated on council have been resolved once outside legal council got involved. John Beebe referenced "legislative audits"

Discussion, unknown if Eureka and Troy review commission has been seated.

Discussion, implementing and understanding differences between Share Point & One Drive to facilitate documenting interview findings.

Greg B moves to adjourn and John B seconds, passed unanimous.
