

Lincoln County Landfill Demolition Checklist

Commercial/Contractor Demolition Projects

1. Asbestos Inspection from an accredited asbestos inspector with a copy to be filed at the Landfill (EPA inspections and comfort letters are not accepted)
2. Landfill Fees:
 - \$12.00 per cubic yard for **sorted and separated** demolition debris
 - \$45.00 per cubic yard for **unsorted** demolition debris
 - \$40.00 per cubic yard for asbestos containing materials
 - \$10.00 per cubic yard for Commercial brush/wood waste
 - Metal is free for disposal

Residential Demolition Projects

(Homeowner removal and transport only)

1. Asbestos Inspections are recommended prior to removal
2. The same fees as commercial apply except there is no charge for residential brush/wood waste

Note: These are requirements for the Lincoln County Landfill ONLY. Other laws and regulations may apply.
