

PUBLIC NOTICE

Notice of application for a Licensed Landfill Conditional Air Quality Open Burning Permit (pursuant to the Lincoln County Air Pollution Control Ordinance Chapter 1, Subchapter 4, Outdoor Burning Regulations)

Lincoln County Solid Waste filed on October 10th, 2025, an application for conditional air quality open burning permits from the department.

Applicant seeks approval of its application to open burn wood waste piles at the Eureka, and Troy Landfills.

Any member of the public with questions or who wishes to receive notice of Air Quality Control of Lincoln County Environmental Health's determination or to submit comments on the application, must contact the department at 418 Mineral Avenue, Libby, Montana 59923, Phone 406-283-2442, email khooper@libby.org.

Comments may be submitted in person (418 Mineral Avenue) or by E-mail (khooper@libby.org). The department's decision to approve or deny any application for conditional open burning permit may be reviewed by the City-County Board of Health for Lincoln County.
