

REQUEST FOR PROPOSAL
For SOLID WASTE HAULER
Lincoln County Solid Waste & Recycling

Project Description and Scope of Services

Lincoln County may enter into a contract for hauling of solid waste from “greenbox” dumpster locations throughout Lincoln County. All waste collected will be deposited in a licensed landfill during normal hours of operation.

Contractor shall schedule collection at each site at sufficient intervals to ensure no overflow. Cleaning of sites (litter pick-up, collection of illegally dumped items, etc.) shall be the responsibility of the contractor. Contractor shall be responsible for repairing any damages caused by their employees.

Contractor may bid on a single option, any combination of options, or all of the options listed on Exhibit A.

The existing greenbox dumpsters shall remain the property of Lincoln County. Lincoln County shall be responsible for site maintenance to include fence repair, grading and snowplowing. Any gatekeepers and/or site attendants sites will be contracted by Lincoln County.

Qualifications

The successful bidder will clearly present verifiable qualifications and experience with solid waste collection and transport.

The proposed Solid Waste Hauler shall provide the following minimum qualifications:

1. A minimum of three (3) years experience collecting and transporting solid waste;
2. Reliable collection equipment (front load compactor trucks);
3. One million dollars per occurrence with Lincoln County named as an additional insured.
4. Montana Public Service Commission approval to transport garbage and solid waste for service of greenbox locations run by Lincoln County.

Any proposal submitted in response to this RFP should include:

1. The firm’s legal name, address, and telephone number;
2. The principal(s) of the firm and their experience and qualifications;
3. The experience and qualifications of the staff to be assigned to the project;
4. A description of the firm’s prior experience, including similar projects and locations;
5. A description of the firm’s current work activities and how these would be coordinated with the project;

6. A plan of work and a schedule with committed hours and resources for the activities the firm proposes to be performed;
7. A description of the firm's proposed rates for carrying out this project; and
8. The proposed term of the agreement. Proposals of less than a five (5) year term may not be considered.

Lincoln County reserves the right to reject any or all proposals received, to waive informalities therein, to postpone the award of the contract for a period of time not to exceed thirty (30) days and to accept the lowest responsive and responsible proposal(s) determined to be in the best interests of Lincoln County. Past performance and ability to deliver will be two of the criteria used in the bid award.

Questions should be directed to Kathi Hooper by phone at (406) 283-2440 or by emailing khooper@libby.org.

Sealed proposals must be received at the Clerk and Recorder's Office, Lincoln County Courthouse, 512 California Avenue, Libby, MT 59923 no later than 5:00 p.m. MST on Friday, February 20, 2026. The envelope containing the sealed bid will be labeled "PROPOSAL FOR SOLID WASTE HAULING".

Bids will be opened and read aloud at the public meeting of the County Commissioners at 10:30 a.m. MST on Wednesday, February 25, 2026, in the County Commissioners' room, 512 California Avenue, Libby, MT.
