

NOTICE TO CONTRACTORS

REQUEST FOR BID

LIBBY LANDFILL TRUCK BARN CONSTRUCTION

Lincoln County, Montana, is requesting sealed bids from qualified contractors for construction of a new Truck Barn at the Lincoln County Landfill located at 2501 Pipe Creek Road, Libby, Montana.

The project generally consists of furnishing all labor, materials, and equipment necessary to construct a 60-foot by 80-foot pre-engineered metal building with a 12-foot lean-to, insulation, walk in doors, and rough openings for overhead doors, as described in the Request for Bids.

Bid documents may be obtained beginning August 5, 2026 at:

Lincoln County Health Department
418 Mineral Avenue
Libby, MT 59923
406-283-2442

Questions concerning the project may be directed to:

Matt Stull, Landfill Manager
406-293-7146
lclandfill@libby.org

Sealed Bids shall be delivered to:

Lincoln County Clerk and Recorder
512 California Avenue
Libby, MT 59923

no later than 5:00 p.m. MDT on Tuesday, August 25, 2026.

The outside of the envelope shall be clearly marked:

"Truck Barn Construction Bid."

Bids will be publicly opened during the Lincoln County Commissioners meeting on Wednesday, August 26, 2026.

Lincoln County reserves the right to reject any or all Bids and accept the Bid determined to be in the best interests of the County.

REQUEST FOR BID

PROJECT TITLE: Libby Landfill Truck Barn Electrical System

LOCATION: Libby Landfill, 2501 Pipe Creek Road, Libby, MT 59923

DATE ISSUED: August 5th, 2026

SUBMISSION DEADLINE: 5:00 PM, August 25th, 2026

1. Project Overview & Scope of Work

- **Project Summary:** Install a new electrical service and electrical system in a newly constructed 60-foot by 80-foot pre-engineered metal building.
- **Scope:** The contractor shall provide all labor, materials, equipment, and transportation required to:
 - Install a new 200-amp electrical service that will provide adequate lighting and outlet coverage including 2 220-amp circuits for heating and shop equipment.

3. Technical Specifications

- **Code Compliance:** Must meet National Electrical codes.

4. Proposal Submission Requirements

- **Company Information:** Name, address, and Montana contractor registration number.
- **Project Experience:** Three references for similar metal building projects in Montana.
- **Building Plans/Drawings:** Plans will be submitted for an Electrical Permit.
- **Proposed Timeline:** Detailed schedule of work including anticipated start and completion dates.
- **Cost Proposal:** Detailed breakdown of costs (labor, materials, etc.).
- **Insurance:** Proof of general liability and workers' compensation insurance.
- **W-9** Must be provided prior to starting work
