**RESOLUTION NO. 2025-01**

**RESOLUTION ESTABLISHING THE METHOD OF LEVYING VOTED MILLS PER HB231 AND SB542  
PASSED IN THE 2025 MONTANA LEGISLATURE**

**WHEREAS**, the Board of Directors of Eureka Area Dispatch District has determined that voter approved mill levies are required to be recalculated under two new bills passed by the 2025 Legislature; and

**WHEREAS**, the new legislation requires that voted mills use one of two methods to recalculate the mill levy. The first method starts with the FY2025 assessed tax revenue for the voted levy and applies the formula in MCA 15-10-420 for FY2026 and all future years of the levy. The second method uses the FY2025 assessed tax revenue and calculates the number of mills required to levy that amount of revenue using the FY2026 taxable value. That number of mills is the maximum number of mills to be levied for FY2026 and all future years; and

**WHEREAS**, Eureka Area Dispatch District has the following voter approved mill levies: 15 fixed voter-approved mill levies; and

**NOW THEREFORE BE IT RESOLVED**, by this Board of Directors, that the 15 fixed voter-approved mill levies will be recalculated using the method of the formula in MCA 15-10-420 for FY2026 and all future years of the levy.

PASSED AND ADOPTED THIS 28<sup>th</sup> DAY OF August, 2025

Dear Eureka Dispatch:

Your district/area valuations for fiscal year 2026/2027 have been completed and are enclosed. Your budget is allowed 12.36 at a value of \$36,002.28 for a total of \$444,988.

I encourage you to check my work to ensure that your allotted valuations are accurate.

For your convenience, I have also enclosed a copy of your fund cash balance held by the county ending June 30, 2026.

Your mill rate is lower than last year while your authorized amount is higher. Two changes account for this. The 2026 reappraisal increased taxable values countywide, so fewer mills are required to raise the same revenue. And under House Bill 231 and Senate Bill 542, your district's voter-approved levy was converted from a fixed number of mills to the formula in MCA §15-10-420 effective fiscal year 2026 by Lincoln County Resolution 2025-28 and by your own board's resolution. Your voted mills are included in the figures above and are no longer levied separately. Neither change reduces your district's funding.

Budget forms can be accessed via the *Finance* page on our county website at [www.lincolncounty.us](http://www.lincolncounty.us).

Please return your district budget to me no later than August 28, 2026 so I can finalize the budget with the Lincoln County Board of Commissioners.

I look forward to working with you to ensure a financially sound District and County.

Sincerely,

Mill rates are lower than the prior year because the 2026 reappraisal increased taxable values countywide. The authorized dollar amount has increased.

Taxable values are taken from Montana Department of Revenue Form AB-72T, Certified Taxable Valuation Information, dated July 31, 2026. Prior year figures are taken from your completed FY2025-26 form.
